Dimensions	12,00 x 3,85 x 1,05 meter
Built	2015
Material	GRP
Engine(s)	Volvo Penta D6 2x 330 hp
Price	Sold

For Sale ! This as new North-Line 37 Wheelhouse . The yachts was launched in september 2015 and is fitted with 2 x 330 hp Volvo Penta engines with only 80 delivery hours. Over complete and fitted with bow- and stern thruster , all needed Simrad Navigation and is ready to go. Certification CE-A/Ocean Going and therefore extremely suitable for making long journeys!

We could call the North-line 37 Wheelhouse stylish and elegant, but also sporty and classic. An appearance on the water that will make many heads turn in admiration. The high continuous railing in combination with a broad gangway, offers a fine sense of security.

In front of the yacht you will find a generous-sized owners cabin with a French bed and plenty of cupboards. The shower unit has an electric toilet, shower and wash basin. The galley is provided with an U-shaped bench seating six persons and a spaciously designed kitchen. At the rear of the yacht you will find a guest cabin for two persons.

The outer deck has been provided with a fixed pilot’s seat and a L-shaped bench with flexible second helmsmanchair. At the rear a spacious cockpit is situated with comfortably shaped bucket seats and a large cockpit table.

Inspection is possibly on appointment at our yard in Harlingen. For more details please contact Sipko van Sluis. To be reached at 0031 517 391054 or by email info@north-line.nl
