Price	Sold

Kuster A-47 offered for sale. The Kuster A-47 is a pleasure yacht built according to the new class of ships from Consonant Yachts. Strong and tough, but slimmer. Faster and even more seaworthy. This is remarkable for a yacht with a spacious open cockpit. And thanks to the built-in stabilizers, the ship is also a very reliable partner in heavier seas. "Hopper" is equipped with all conveniences to make a longer stay on board possible. It is equipped with a wash-dry combination, oven, fridge with freezer compartment and solar panels. The gangways are equipped with maintenance-friendly flexiteak. The navigation also leaves nothing to be desired and consists of high quality Raymarine equipment. In summary, "Hopper" is a well maintained ship and ready to leave. It can be viewed by appointment in our harbour in Harlingen.
