Recently for sale! This Kuster A-38 "Elcke Frederike" was built in 2006. With only 2000 operating hours on the counter of its Vetus Deutz DT44 - 114 hp, it is a ship in new condition. On board the stay is made more pleasant with great comfort. It is among other things provided with an oven, induction hob, washing machine, central heating and solar panels. The central heating is powered by convectors and radiators and a Webasto Thermo 90. The navigation is also very complete and thus offers safety and control while on board.
