

REGO NEWLANDER 1100

Dimensions	11,70 x 3,95 x 1,10 meter
Built	2001
Material	Steel
Engine(s)	1x Yanmar 4HJ3-HTE 100 hp
Price	Sold

Soon on sale! This good looking and well maintained Rego Newlander 1100 from 2001. The ship is equipped with a Yanmar 100 hp engine which has only 1250 operating hours on the grower. In 2020 it was completely repainted, the underwater hull was treated and new antifouling applied. The spacious saloon has a spacious seating area and can accommodate 4 + 2 passengers. The galley has a 3 burner gas stove and lots of storage options. This, together with the very extensive navigation system (Garmin), double steering, watertight door, double glass, bilge pump and self-draining cockpit, makes it an extremely comfortable and safe sailing ship.
