A true seagoing sailing yacht built by a yard which already earned her recognition for a long period of time. She is built and equipped to cruise long distances. "Nix" is one of the best well kept Nordia 45 on the market at this moment.

She is well maintained and in a very good condition, both inside and outside and an ideal layout for long distance cruising. The large center-cockpit is a secure and comfortable station and with her strong steel construction you can cruise with peace of mind. Her recent upgrades have resulted this yacht is in an almost new condition.

She is fully equipped with furling sails, complete navigation and an almost new teakdeck. This yacht is ready to cruise anywhere safely and comfortable. Inspection is highly recommended.
