"De Bark" Nelson 34 Well maintained Nelson 34 built by Halmatic in GB, dimensions 10.50 x 3.35 x 1.20 m, with an clearance of approx. 2.80 m (with folded mast and radar). Half-glider with blue polyester hull, displacement about 9 tons, with 1,300 liter diesel tank, 400 liters water tank. This Nelson 34 has 1 cabin and 2+2 berths, radar, autopilot, vhf, refrigerator and microwave.

Very solid, sturdy character and a perfect partner for open sea and inland waterways and rivers. Viewing in Harlingen.
